## DESCRIPTION

Secai LED Strip Lights for Decorative Purposes with APP Controller Music Sync Color Changing Strip lighting for indoor use. 50ft/15m, colorful lights make your life relax and exciting. you can change the room into various styles.

The package includes: 12V power supply, remote, controller, 2\*25ft light strip, and a manual.

### Product Features:

- 50 feet
- Music and mic mode function
- Timing function
- Use the strong adhesive to install the lights to any dry, clean surface, or the clips for further reinforcement

### Attentions:

- The strip lights are non-waterproof, suitable for indoor use. For safety reasons, please hide the controller and power supply away from the water during using.
- Please make sure the surface you intend to stick the light is clean, flat and dry.
- Please make sure that the "+" of the light strip and the arrow of the controller are in the same line. If the connection is not "+" to arrow, the lights won't work.
- Before using the remote control, please pull out the transparent insulation sheet inside the remote control.
- When using the remote control, please point the receiver on the controller, the distance between controllers should not more than 5 meters.
- The lights strip can be cutted every 3 LEDs along the marks, but please make sure the power off first.
