Customer questions & answers

Q Have a question? Search for answers

- Question:** There have noise when led dirver is working?
Answer: Our power supply operation safe and stable, no noise, small conversion loss, high voltage precision, can effectively protect your terminal products.
By LUXYARD **SELLER** on February 5, 2021
- Question:** Why your 12v power supply more expensive than other's?
Answer: All of our power supplies are UL Certified (UL listed or cRUus), with selected components and good quality. Compared with other power supplies, ours is more stable, reliable and durable.
By LUXYARD **SELLER** on January 19, 2021
- Question:** Does it can work with dimmers ?
Answer: No, can't work with dimmer, there will be related products for sale later, thank you for your attention.
By LUXYARD **SELLER** on January 25, 2021
- Question:** Are these constant voltage or constant current?
Answer: Hello, these LED power supply are constant voltage
By LUXYARD **SELLER** on March 17, 2021

- Arnold Ziffel**
★★★★★ **Very good quality power supply**
Reviewed in the United States on January 19, 2021
Size: 40W-12V | **Verified Purchase**
This item works perfectly and was no trouble to install. I haven't had it long enough to comment on durability, but it appears to be top grade stuff. I do intend to use it in an outdoor application.

TheNears

★★★★★ Drop-in replacement for LED light fixture

Reviewed in the United States on February 25, 2021

Size: 40W-12V | **Verified Purchase**

This LED driver fit perfectly in one of our LED ceiling fixtures that was on the fritz.

Just make sure the technical specs match the driver you are replacing and you should be good to go!
