### **MGDYSS Humidifiers,320 ml mini portable humidifier,silent air humidifier with color LED night light,automatic shut-off,ultra-quiet,suitable for home,office,baby room,car**

- **【320 ml Mini Humidifier】** The palm-size portable humidifier is suitable for small space. Without occupying much space, the mini USB humidifier easily gets a place on any table and can be charged by any USB port to give you a better air. You can pack it in your handbags, backpacks and suitcases to take it anywhere.
- **【Two Mist Modes】** this small humidifier has two mist modes: Intermittent Mist (3 seconds on/3 seconds off) & Continuous Mist. Working Time: 4 hours in continuous mode, 10 hours in intermittent mode.
- **【Whisper Quiet Design & Waterless Auto Shut-off】** This humidifier does not generate any noise, so you will not be disturbed whether you are sleeping or working. When the water is used up, it will automatically shut down, protect the device, continue to use after restarting.

- 【Night Light Mode】 Long press the button for the first time to turn on the LED night light; Press the button a second time to switch the LED night light to the breathing light. You can choose the mode according to your needs. Very easy to operate and great help in moisturizing the dry air for longer time.
- 【Various Occasions】 The portable humidifier is compact and convenient to use in office, yoga, car, bedroom and travel scenes. Note: Please soak the cotton swab before using. Please do NOT add essential oils or distilled water into the humidifier, which will cause the product to malfunction.

### Product Description

MGDYSS FILTER Mini humidifier - Enjoy the fresh forest-like air at home!

USB humidifiers can be used with the power bank of a computer or another USB power supply unit.

ABS + PP + silicone material, safe and sturdy, offer long-term use.

Very quiet, less than 30dB when operating, does not affect your child's or your families' sleep.

Great gifts, elegant design are great choices for gifts. Great for Birthday, Valentine's Day, Father's Day, Mother's Day, Christmas, etc.

mini humidifier

Warm Tips:

The air humidifier is not an aroma diffuser! Please do not use essential oils, perfume, otherwise the cotton swab will clog and the humidifier will be unusable.

Please turn off the device before refilling the water.

Please make sure the cotton core has soaked before turning it on.

If you will not use it for a long time, please drain the water in the water tank and clean the tank thoroughly to extend the lifetime of the product.

Two spray modes: Continuous spray & intermittent spray

One-button Control, Easy to Operate

Press the button once to continuously spraying for 6 hours,

Press the button twice to intermittently spray for 12 hours (spray 3s and stop for 3s).

When the water is used up, it will automatically shut down, protect the device, continue to use after restarting.

More Features:

Waterless Auto Shut Off

Super quiet operation help you sleep better

Top-fill design for easier filling and cleaning

One button. Easily switch the modes and night light
