Makeup Mirror Household Beauty Salon Portable table Cosmetic Mirror

Feature:

1. You can use it to examine almost all parts of your face and head. It is better to use with hair building fiber to prevent the fiber from falling to the face.
2. This quarter-side compact mirror is equipped with a standard mirror for real images. 4 mirrors (multi-mirrors) can maintain visibility at almost any angle.
3. Foldable design, light weight and in small size, easy to carry, very suitable for travel and use.
4. Adopts high quality PU material, safe and eco-friendly, firm and durable, perfect for home and professional use.
5. Easy to open and fold, simple operation, exquisite workmanship, simple and elegant appearance.
