★★★★★ Beautiful

Reviewed in the United States on January 30, 2020

Verified Purchase

These are beautiful, nice quality ceramic bowls. Love them! I have taken a liking to "bowl" meals but my dishes are not quite roomy enough. These have plenty of room for everything and still space for mixing things while eating. I would be proud to serve a guest with these. I am sure I will find many other reasons to use them. Just too nice to leave in the closet for too long!

★★★★★ Exquisite Sturdiness

Reviewed in the United States on January 6, 2020

Some of the most beautiful bowls I have ever owned. Soft muted colors, generous capacity and sturdiness will make these a joy with which to serve guests and use for daily meals. Loved them so much I ordered a second set. Thank you!

★★★★☆ Not for ramen

Reviewed in the United States on August 9, 2020

Verified Purchase

I think the bowl design/look is really cute and modern. The colors are nice and fresh. I've been looking for a nice sized ramen bowl for a long time. Unfortunately, I this bowl is not as

big/deep enough like I thought and like I want. I was looking for a nice size from a cereal bowl and pho bowl.

★★★★★ Beautiful addition to my kitchen

Reviewed in the United States on October 21, 2020

Verified Purchase

I'm slowly replacing old plates and bowls with updated ones. These bowls are beautiful and sturdy. They really make anything we're eating look more appetizing, and they hold quite a bit. Now I'd like to get some small ones and plates to compliment them.

★★★★★ Good bowls, as expected

Reviewed in the United States on July 19, 2020

Verified Purchase

These bowls are a bit larger than the standard IKEA ones I had been using before, and they are great for a salad for one. It has been a couple of months and no stains yet. I would buy again.

★★★★★ I like these bowls!

Reviewed in the United States on October 31, 2020

They're exactly the size I was looking for, they're pretty... not sure I could ask for anything else, except I wish they were slightly less expensive... but they are good quality!

★☆☆☆☆ The bowl size smaller than advertised.

Reviewed in the United States on September 30, 2020

I was expecting the size big enough for noodle soup but it's really made for breakfast cereal.
