#### Perfect set for tall women!

This is my first set of non hand-me-down clubs and I love them! I'm 5'10" and the tall length is perfect. Still getting used to the driver (use my old one half the time) but the entire set is great. I use the hybrids quite a bit and the 9 most. Consider myself to be intermediate.

Yes, I recommend this product.

#### Quality not great

I bought these last week used them 3 times and all the paint chipped of my driver and 3 wood. Returned to golf town and was told this would happen again with a new set. Overall I loved the look and the two in one golf bag, but unfortunately traded in for a different brand.

Yes, I recommend this product.

#### Love the colors!

I have to admit I chose the Magnolia set over any other brand, simply because these looked the best! Absolutely love the Navy/ Blue Jean bag. Great quality and equipment looks high end!

Yes, I recommend this product.
