- Specially designed with integrated turbine technology which can blow more concentrated and longer wind in a straight line so that can oscillating air circulation for the whole room.
- 3 speeds can be choose according to your preference, as our table fan equipped with a unique ventilation channel that can control the airflow and generate a stronger jet airflow with higher straightness.
- The portable desk fan equipped with high performance motor produces powerful wind at a fairly low noise level (the maximum air volume 45 dB). Very quiet and it is ideal choice for slight sleeper use, also you don't need to worry about the wind blow sound will make noise while sleeping or working.
- The circulating fan can automatically rotate 90°for left and right. Even if it is placed in the corner or the center of the room, it can diffuse the air throughout the room, which is very convenient. You can also manually adjust the angle up and down by 90 degrees, and then blow the wind to the floor or ceiling.
- USB circulating fan equipped with a high-performance DC motor, it can be charged conveniently with USB devices such as computer, laptop, car charger, power bank, and more USB enabled devices. Furthermore, it's been designed for maximum energy-saving and power-saving, as it can be used continuously for about 12 hours after fully charged.
