Prometheus rolling pins, Large Stainless Steel Rolling Pins for Baking, Metal Springerle With Handle Design Best for Fondant, Pie Crust, Cookie, Pastry, Pasta, Pizza Dough

- The rolling stick is made of stainless steel. The surface is smooth and easy to clean, making it healthier to use.
- The metal rolling stick will not absorb any odor, color or taste, and is non-sticky. The bearing ensures smooth, smooth rolling and easy to grasp; the smooth and heavy stainless steel surface effortlessly compresses the dough without sticking; Easy to clean by hand or in the dishwasher

- Wide range of uses: suitable for making pasta, biscuits, dough, pastries, bakery, pizza, fudge, pancakes, pies, wontons, tortillas, dumplings, etc. It can also be used as an exquisite kitchenware gift for baker and chef Tip: Before use, put the rolling pin in the refrigerator for 15 minutes, so that the dough is less likely to stick when it is on the freezing roll, and it can also prevent the dough from melting
- Easy to maneuver Compared with the old-fashioned wooden rolling sticks and heavy marble ones, this simple and lightweight rolling stick is a huge improvement. Make your baking experience easier!

Product description

stainless steel rolling pin non-stick dough roller pastry dough rolling pin for baking pie crust cookie pasta pizza dumpling
