The screenshot shows the homepage of the NAPA Benefits & Services website. At the top, there is a blue navigation bar with the NAPA logo on the left and the text "Trusted Benefits Provider Since 1989" on the right. Below the navigation bar, there are several menu items: "NAPA Benefits", "My Account", "News", "About", "Contact Us", "Search", and "Log In".

The main content area features a large banner for "ReferMe IQ™ Automated Referrals Made Easy". The banner includes a list of benefits:

- Generate Client Referrals From Your Personal Network
- Total Automation At An Affordable Price
- Personal & Authentic Engagements

Below the list is a "Learn More" button. To the right of the list, there is a large graphic with the text "REFERME IQ™ Automated Referral Intelligence" and "Automated Referrals Made Easy".

Below the banner, there is a section titled "NAPA Benefits & Services" with the subtitle "E&O Insurance and Benefits for Agents, Agencies, RIAs and Financial Planners". The text describes the services provided by NAPA, including "Errors and Omissions Programs", Cyber & Data Breach Insurance, Health Insurance, Life Insurance, and Member Discounts.

Below the text, there is a section titled "As a NAPA member, you have access to these great benefits:" with a "Show All" button and a "Filter Benefits By..." dropdown menu.

On the right side of the page, there are three buttons: "NAPA E&O Insurance Programs", "Why Choose NAPA?", and "NAPA Member Testimonials".

At the bottom right, there is a "Need Help?" chat button with the text "Click here and start chatting with us!".

Cyber Liability & Data Breach Insurance | Did You Know A Compromised Laptop Could Cost You Nearly \$50,000?

CYBER LIABILITY & DATA BREACH INSURANCE

The financial implications for a small business or independent contractor affected by a data breach can be devastating. In fact, studies show that **60 percent of small businesses go out of business within six months of experiencing a data breach.** The best way to prevent becoming a part of this sobering statistic is to protect your business by having insurance coverage in place.

This Cyber Liability and Data Breach Insurance program provides small businesses and independent contractors with coverage to help protect against the financial burden created by a data breach.

Pricing as low as \$199 annually. Quoting this valuable coverage takes just minutes.
