## The Little Playmate Collection

We're channeling the '70s with the revival of our Little Playmate cooler. Can you dig it? This classic cooler style features our original side push-button, tent top and swivel lid design! Whether you recognize it well from back in your day or this is your first introduction, this timeless retro cooler – available in a variety of groovy colors – is sure to become your present-day fave and will keep your drinks and snacks cold during any fun outing.
