BIGSIZEHEELS Open Toe Slippers for Women Comfortable Slippers with Thick Bottom Trendy Platform Preparation Fashion Slippers Women Braided Strap Pu Leather Slippers Summer Outdoor for Girl,Orange- 5.5/6.5 Slippers

\$19.99

- **【Ergonomic Design】** The slippers are slightly recessed to perfectly wrap your feet, toe to the tail is slightly upturned by 15°, the fitting angle balances the pressure, ergonomic design. More comfortable to wear.

- **【Thick Sole Design】** Different from other plastic home slippers, this pair of massage slippers use about 1.6-inch thick EVA sole, which makes you taller and more wear-resistan.
- **【Sole Non-slip Design】** Soles unique stripe non-slip design give your feet a good grip with no slippage. It will make you safe on any slippery ground.
- **【Super Soft & Lightweight】** Super Soft Home Slippers use ultra rebound soles to make you feel like you are stepping on the cloud, giving you a sense of cloud feet, And Lightweight material is more comfortable than rubber slippers / sandals.
- **【Widely Occasions】** Casual style perfects for all season and occasions, bathroom, living room, swimming pool, beach, SPA, Leisure, public showers, steam rooms, dorms, camps, hotel locker rooms etc.
