Description

Large numbers are easy to read, and the front glass cover ensures a perfect field of vision.

It can also protect wooden hands and face from dust.

Perfect size, simple and high-quality design to meet all your decoration needs.

Silent action without ticking ensures good sleep and a good working environment. High-quality quartz sweeping movement ensures accurate time.

Wooden frame, exquisite workmanship. Solid natural wood hour and minute hands.

Battery-powered quartz movement (1 AA battery-need to be purchased separately), equipped with hooks, wide slots on the back for easy suspension.
