DESCRIPTION RECOMMENDED USES SUPPLEMENT FACTS REVIEWS (1)

60 CAPSULES

SleepTrim features a microencapsulated, extended-release technology that slowly delivers a blend of melatonin, while Capsimax®\*\* Capsicum Extract puts your fat to work providing the benefits of red hot peppers without the burn.\*

If you are not getting the recommended seven-to-eight hours of sleep every night, you may be eating more, exercising less and gaining weight. Quality sleep is key to a healthy lifestyle, and SleepTrim can help you get back on track.

Extended-Release Technology gently delivers melatonin in stages so you can fall asleep, stay asleep and wake up refreshed.\*

Relaxation Blend of botanicals (chamomile and passionflower), magnesium and L-theanine help the body relax mentally and physically.\*

Updated formula now includes:

Capsimax® Capsicum Extract

- Clinically-tested Ingredient
- No GI Burn
- Helps improve hip:waist ratio\*
- Accelerates metabolism\*
- Stimulant-free
- Supports appetite management\*
- Increases REE (Resting Energy Expenditure)

L-glycine

- Helps improve sleep quality\*
- Has a calming effect\*
- Can help lessen daytime sleepiness\*
- One of three amino acids needed to make glutathione (master antioxidant) in the body
