Description

A beautiful case for the OnePlus 5T which perfectly combines high protection and stylish design

The protective cover is made from a high-quality TPU silicone which is highly durable and maintains its shape

These materials ensure the OnePlus 5T not only sits well and securely in the hand but also makes it easier to attach and remove the case

The case exhibits superb workmanship, is perfectly tailored to the OnePlus 5T and thereby ensures a secure hold and protection

The case protrudes slightly over the screen to ensure that it is never directly in contact with surfaces. This keeps your screen clean and free from scratches

Good case. Had just over 1 week, not sure how durable it is

I used to use the official OnePlus 5T case and was not happy that they don't sell it anymore. This one is an excellent replacement!
