### Product Description

How to wear:

Combing your hair gently to make it smoothly.

Tie your hair up and keep the rest of the hair sleek.

Use both hand to open the wig caps.

Put all hair under the wig cap, one hand to pull the wig cap to make them flat and the other hand to fix our hair.

Place the wig over the wig net and adjust your hair accordingly.

Warm tips:

Please wash it by hand and in the cold or warm (under 30 degree) water with mild liquid soap or the hair shampoo before using it.

Please keep anything sharp away from the wig caps for good protection and ensure long terms of using. If you have long and sharp finger nails, we kindly suggest you to be careful when using our wig caps.

If you have long and thick hair, please make your hair in ponytail and pin them around your head as flat and smooth as possible, making sure no hair falling out before using it. Or you can use 2 caps at one time to make a great sense of security.

If you find the wig cap too tight in your head, please kindly stretch the elastic band or place it on your head model for a few days to make it looser, which might bring you more comfortable.

Make from soft nylon,lightweight and ultra-thin, cling to head, tightly hold your hair in place trimly. and you can change any hairstyle you like.

You can use the wig cap in any situation. Such as Halloween, cosplay party, or daily use of human lace wigs. you can have a wonderful experience.
