 ★★★★★ **Life changing!**

 I have severe neck and back pain from a car accident that happened 15 years ago. I see a chiropractor and get massages regularly. However, with Covid-19, I haven't been able to do so and needed some relief from pain. This thing is amazing. When my neck burns or my lower back aches, I put this on for 15 minutes each spot and feel remarkably better. I highly recommend this product for people with chronic pain.

This thing is amazing! I just have to put something silky in between or my skin gets a little bit irritated by the texture. But love how the settings can go between 3 types of massage, reverse directions, or heat it up! Great for in between massages

Holy Moly!!! This is fantastid!! I actually used it on my back, in quite a few different positions. It was good but it wasn't until

I put it under my leg (thigh area to be exact) and I became an actual fan to a FANATIC!!!! Wow! It feels absolutely phenomenal (especially when I put the heat on, but MOST IMPRESSIVELY when it switches rotational directions!!!!)

Try it for yourself. TBH, I hope it works as well for You as it has with me!!!! I'm on day 1 so I pray I continue to be just as happily amazed in 2 weeks as I am today!!!!

I replaced a different style of an electronic shiatsu massager with this one and it's so much easier to place on the exact spot I need to release the tension. The design is great and I don't have to lay down to use it - best part.

I went to a dental appointment for 3 hours and had neck issue, used it for twice a day and felt relieved. In comparison to at least 60 dollars per massage, this one can save me a lot of money.

This is the best choice for christmas gift to everyone. She can't wait til christmas to open the box, had already used it for few days and seems like she's very enjoy using it everyday during work and after work. The heating design is also the high light function during this winter time. Reasonable price, I will definitely going to get one more for my family as well. Happy Holiday!
