square feet needed 13 sq.ft minimum

average +15%

0 total sq.ft 0 total pcs 0 boxes needed

We recommend a traditional brick grout joint size of 3/8" with this collection which allows for 6.54 tiles per square foot.

Should your project require a smaller joint, keep in mind that additional tiles will need to be ordered as our checkout calculations are all based on 6.54 tiles per square foot.
