Description

Our products have a very strong small-axis fitting force, which can easily cope with the destructive force during operation, and let the pedaling force be more effectively converted into the driving force of the wheel.

【Color】 electroplated silver

【Material】 carbon steel

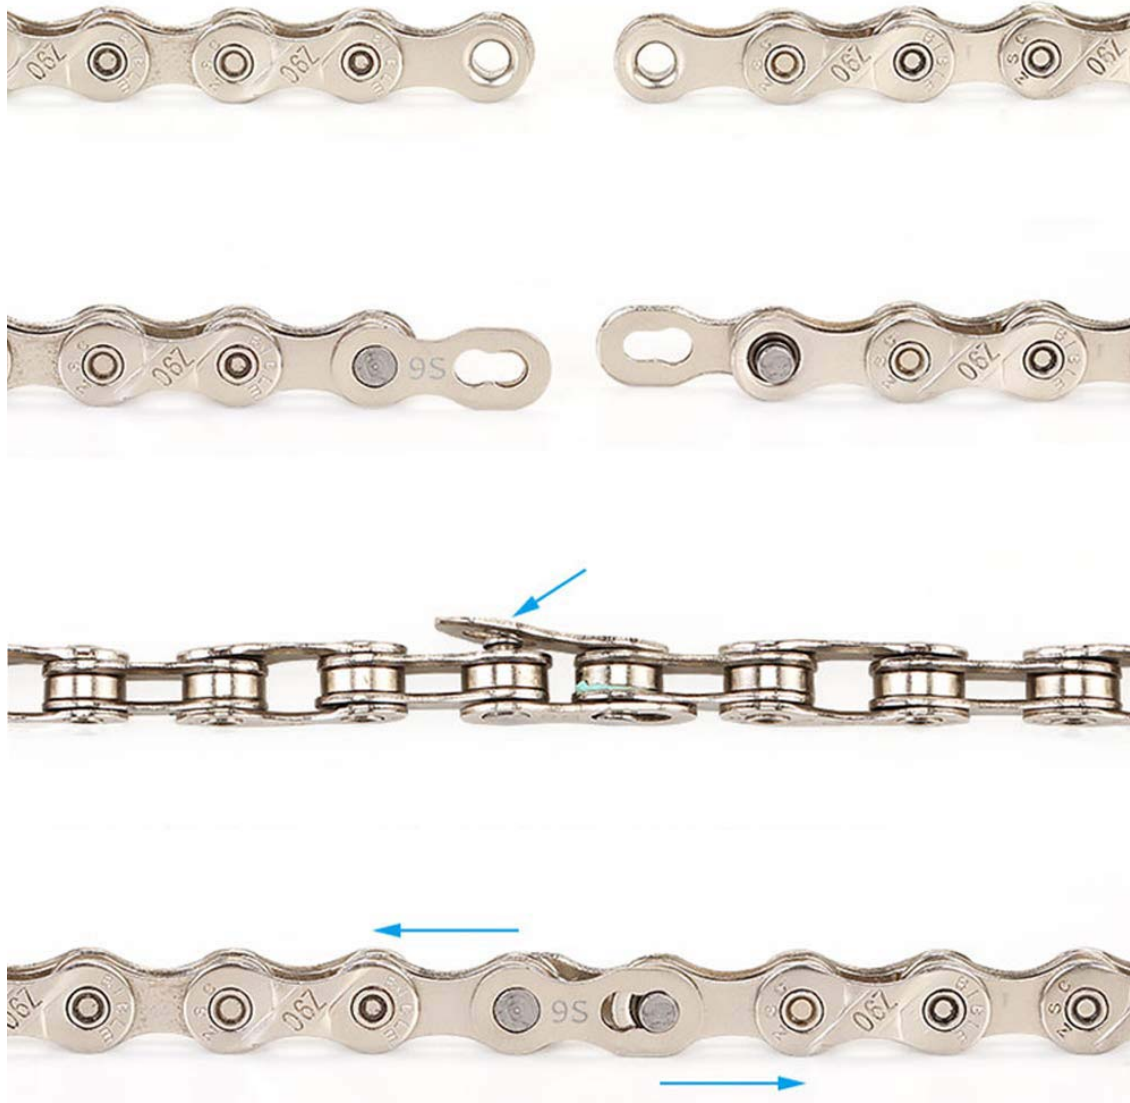

【Length】 116 knots

【Smooth lubrication】 surface polishing, internal oiling

【Features】 export quality, cost-effective, using all-plated silver, anti-rust, anti-corrosion, wear-resistant and durable.

Package Includes:

1x bicycle chain
