Love love love!!!

Reviewed in the United States on April 11, 2021

Size: L Chest 28-38in Color: Purple **Verified Purchase**

This is absolutely the EASIEST harness to put on a dog ever. It's heavy duty but seems comfortable (I don't know because I've never put it on myself but...) and the patches make it super fun. I have a standard poodle puppy and people think he's a doodle so I fixed that. 😊 It's really perfect for the car, too. He hops in and I clip a dog seatbelt to the ring and it keeps him from being thrown around. Now I just need some fun, new patches for the future. I decided not to put my phone number so no strange people call me but it's on a tag on his collar. He seems to like wearing it because if I hold it in front of him, he puts his head right thru it. Then you just bring the belly strap under and clip it. SO EASY. I super love the handle on it, too.

Sturdy Harness

We were very impressed with this harness! The personalized ID is on two velcro patches for easy switching or replacement. The back has a huge handle and leash ring. The medium was a little late for our 25 pound corgi but he seems to love it as it doesn't cut into his arms. Seems well made, we hope it lasts!

Love this!! Sturdy, Easy and Safe!

This is a very sturdy harness. Easy on and off! Bought both Medium and Large! Helped a little for pulling but doesn't fully resolve the issue but I love the handle to be able to control my pups when we run into reactive dogs. Nice touch with the personalized name tag too! Shipping did take a couple of weeks. Worth the wait!

This is a well made harness but it was too heavy for my senior pug who has spine issues, so sadly it didnt work for us. The seller was prompt and very kind in replying to my request for a refund which was issued right away.

Wonderful Company! The harness is VERY sturdy. Look at the size and know that it's true to word. Customer Service is fast and efficient. Lovely interaction to exchange for a smaller size. The harness has good padding and the clasps are solid plastic. Well made for the tugging pup. The Velcro IDs are very nice and well made also. 10lbs Maltese is an XS Thank you!!!!

I love the bright pink!

Reviewed in the United States on February 17, 2021

We bought bright pink for our large "labradoodle-ish" dog. She's large & it fits. She looks very stylish in it. I love the color for her and it makes her look very "lady like". Appears very sturdy & I love her name & phone number on the harness.
