Product Description

Make it Easier and Safe to Manage Your Dog with a Custom No-Pull Dog Harness from PawPawify

When it comes to walking your dog around the block, taking them to their favorite dog park, or training them to be a service animal you need a dog harness that's comfortable, lightweight, and provides a more supportive fit. We created the **PawPawify No-Pull Dog Harness** as a great way to live life on the go with your pup but still provide them with a better choice than a traditional restrictive collar. Designed to fit over the front of their body our harness gives you more control over your pet and reduces their ability to pull, tug, and choke themselves if they go too hard.

Why My Dog Needs This Custom Harness?

PERSONALIZATION

Every dog is unique and different, each with their own persona and individuality. Now you can express your dog's most charming personalities through the dog harness for FREE. Whether it's announcing that your pup was rescued loud and proud, expressing your doggy's intelligence with clever funny slogans, or even personalizing with the traditional name and phone number, the customization is limitless!

Comfort Experience

The fabric material is resistant to tearing and the straps have no elasticity so will not deform. The soft sponge pad won't hurt the pet's skin. Breathable and lightweight give the dog a more comfortable experience.

Reflective Straps

Walk your dog at night and never worry about the safety of your dog.

 Sckzfisher**Great product, great customer service!**

Reviewed in the United States on May 15, 2021

Size: S (10-19LBS) Color: Camouflage Green **Verified Purchase**

I ordered a small size for our mini daschund because he is only 5 months and at the top of the weight for an xsmall. However, it was HUGE on him so I requested a return to exchange for a smaller sizer. Not only did they send me a new oder with an xsmall, but they told me to donate the other harness to a nearby shelter. :) GREAT customer service! I am thoroughly impressed with the the quality and design of the product. I tried it on and it is a still a touch too big, but he should grow into it. I love the personalization and color choices.

 md**Best Harness EVER!**

Reviewed in the United States on May 14, 2021

Size: L (40-60 LBS) Color: Camouflage Green **Verified Purchase**

This harness is of exceptional quality! You can add what ever you want on the patches! I put name and phone number. The only thing I encountered is my dog is 25 lbs and the 20-40 lb size is a tad big. I'm still using it but I've ordered a size smaller to see if it fits better. I can't believe the price on this either. So affordable and for the quality, I would expect higher. I ordered the awesome leash as well. I am so impressed with this product. Every dog needs this!

It's very durable. It's somewhat stiff but needed for those nice walks or runs. My dog still wears it all the time and doesn't act like it's too stiff for him.

Great seller with a great product

Reviewed in the United States on May 2, 2021

Size: XS (5-9LBS) Color: Orange **Verified Purchase**

This seller is exceptional! I bought a total of 7 harnesses, various sizes. Only one was too big but the company fixed the problem immediately. Great communication and service! The harnesses are great! The names Velcro onto the harness. My dogs tend to try and bite each other's off. You can buy more separately but they are close to the price of a new harness. I'll buy more another day. Buy with confidence! Great company overall! A++

**Great product for the price!**

Reviewed in the United States on May 3, 2021

Size: XL (60-85 LBS) Color: Pink **Verified Purchase**

I received this several weeks ago and have been very pleased w it. It's made from high quality material and appears to be very sturdy. I can't say 100% how comfortable it is since I'm not the one wearing it, but my dog willingly goes into it so it must not be too bad. Great product!

Amazing harness! Easy to adjust!

Reviewed in the United States on May 7, 2021

Verified Purchase

This harnesses is a show stopper. It is strong and sturdy and looks amazing! The handle on top helps me keep my pup on track and the seller is fantastic too. I put my phone number on it with my pups name and it was like advertising so they are sending me new patches. It fits my 26 lb English Bulldog by simply adjusting the strap below her belly.. Couldn't be any happier with this purchase!

It's okay, not made for growing puppies

Reviewed in the United States on May 11, 2021

Size: M (20-40 LBS) Color: Black **Verified Purchase**

It's very well made. I purchased mine for a puppy, he's just about out grown the chest strap in the time it took to be delivered. Since they don't offer an extender I'll have to order another in a few weeks. Makes this one a waste of money.

Well Made and Size is True

Reviewed in the United States on May 29, 2021

Size: XS (5-9LBS) Color: Red **Verified Purchase**

These are well made dog harnesses and they are true to size. Once adjusted, they slip on easily over my dogs' heads and there is a single snap that securely holds them in place. The sides and front of the harness have reflective tape sewn on in case you're out at night. And the harnesses come with two personalizable dog tags that can be used to list your dog's name and your telephone number. Great deal for the money. Seller is courteous and promptly replies to questions and inquiries.
