

ALCOHOLICS REDEEMED

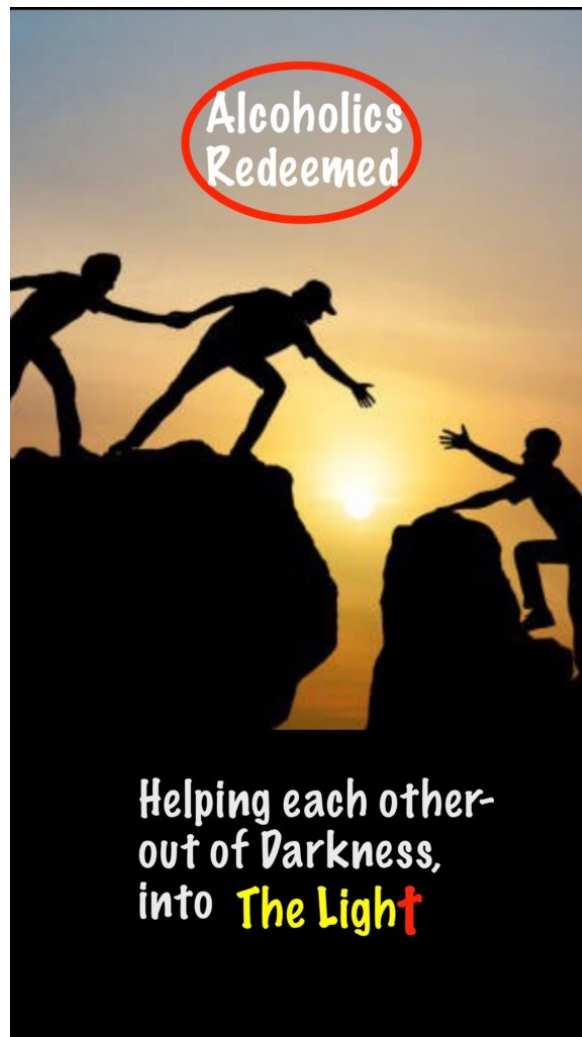

Alcoholics Redeemed

A Simple Plan of Recovery for Alcoholics and their families.

Welcome to the Fellowship of the Redeemed. We have one mission- life changing for all who suffer from alcoholism. We have no other affiliation. There are no dues or fees. Just an honest desire to get well.

There are four phases to our program: Admission, Submission, Restitution, and Construction. Upon completion of the first 3 phases, we had a life- changing experience in which we were gifted the Power that conquered our alcoholism. The Construction phase is an ongoing building of our relationship with God.

We meet online (Zoom). We have members in many states in the US and provinces in Canada. We meet Monday through Thursdays at 6:00 pm PST/9:00 pm EST. Please email joey@alcoholicsredeemed for our Zoom ID and password if you would be interested in attending our meetings.

Faith

The fundamentals of Christian faith permeate our group. By relying on God in Steps 2 and 3, our group is openly Christian as our faith remains a bedrock to our recovery.

Fellowship

We share a common goal of helping other alcoholics who want to quit drinking forever, through a life changing experience with Jesus Christ.

Service

The Great Commission not only was ordained by Jesus Christ. but is a true bedrock

The Great Commission not only was created by Jesus Christ, but it was also created in the 12 step recovery process. We seek to assist all members to a spiritually fit condition.
