**Absolutely love coming home from**

Absolutely love coming home from a long day at work and taking a nice bath with the relief bath bomb (that's my favorite one)! It helps my body feel so relaxed. Definitely will be adding more of these to my next order.

So happy to hear you're enjoying our Bath Bombs, Danielle!

I'm a huge fan of bath bombs, but I likely won't be buying any others except for Soul CBD's. I felt so at ease and relaxed after a stressful day, I can't recommend these enough.
