- Eye-care desk lamp. Unique surface lighting source & innovative light guide panel create a flicker-free, anti-glare light without ghosting, ideal for children, students or people with vision problems such as macular degeneration. No more eye fatigue.
- 3 lighting modes. Long press the LED power indicator to activate 3 distinctive lighting modes. Choose the right color temperature with this desk lamp to meet your various lighting moods – Working 6000K, Reading 4500K, Relaxing 3000K.
- Taodaliy lamps with integrated memory function can remember the light setting from your last use. Adjustable dimmer setting is perfect for home, office, bedroom, nightstand or kitchen.
- Flexible gooseneck led desk lamp. Taodaliy lamps features ultra-slim base (0.63” thick) and low-profile design, fitting perfectly with your home or office decors. The flexible gooseneck (16.1”, fully extended) allows you to bend the lamp towards wherever you want.
- Compact and stable task light. It emits a beam of localized light without disturbing others, and only highlight the area to suit your task at hand, perfect for reading, writing, crafting, painting, sewing, knitting, crocheting, nails, or putting on makeup, etc.
