Product Introduction:

100% CAREFREE COOKING EXPERIENCE Our hezeyuan Cooking. They are lightweight and handy. The oval deep shape with slim tip make it easier to scoop and get more food than the flatter, so it is suitable for many cooking - serving tasks. Our ergonomic handle, rounded tapered with slightly flattened top, is comfortable and easy to grip.

100% HANDMADE AND HEARTCRAFTED BY LOCAL ARTISANS Most of the wooden utensils nowadays are machinemade. Every piece of our products helps the local artisans maintain their remarkable craft skill and pass it down to the next generations. They are genuine artists, and they just need a little space to express their talent. Only you can provide them with that.

100% EASY TO TAKE CARE Our smooth sand spoons are easy clean. Wash them with warm water and soft sponge to preserve their qualities. We recommend to dry them by hanging. If there is something sticking to our products, just put them in the water for 5 minutes before washing. Please store them in dry place when not used. When EXPERIENCE products are exposed to oil and heat, their color normally becomes darker, but they are still perfectly useable. Oil them occasionally when feel dry to prevent crack.

Wide range of applications: Our long-handled spoons are very suitable for food stirring, tasting, stirring, cooking, seasonings, sauces and honey, etc. It is an ideal choice for your modern kitchen.

Convenient storage: Spoon is convenient for storage, saves space, and makes your kitchen more tidy.

Ideal kitchen accessories: These wooden spoons are an indispensable accessory in the kitchen. They are helpful for stirring, mixing, separating, turning, tasting, turning and serving food. They can be used to mix or contain honey, jam, salt, sugar, ice cream or other flavors.

Food, give full play to your cooking skills, and make delicious food for your family or friends
