BUY IT NOW

FULL SIZE - Our tarps are cut larger so they finish true to size (+/- 3%). For example, an 8x10 is really 8' x 10'!

MULTI-PURPOSE - Good for endless applications. Industrial, DIY, Homeowner, Agricultural, Landscaping, Hunting, Painting, Camping, Storage and much more.

TIGHT WOVEN POLYETHYLENE FABRIC - 14X14 weave, dual lamination for water resistance, heat sealed seams/hems, washable, lighter than canvas, naturally mold/mildew resistant.

Approximate 10 mil thickness, rust-resistant grommets on corners and approximately every 18", plastic capped reinforced corners, aesthetically pleasing colors, U.V. treated to resist sun damage. Good for more industrial, agricultural, longer term storage or anywhere a strong tarp is needed.

Heavy duty. Does the job.

We used it to cover our boat. Worked perfectly.

Worked perfectly for my needs.

I bought a log rack and some ball bungees. Needed a tarp to keep the wood dry. Worked like a charm. Happy with the quality so far.

Happy with tarp

We are very pleased so far. It's over our deck to keep us dry during rain and so we can enjoy our Solo bonfire. It is holding up well

Nice, durable quality

We are using this under our picasso tiles bounce house and it is perfect! The quality was so much better than I expected; it's a nice, thick material. When we are done with the bounce house, we just roll the tarp up with it. It works well for protecting the bounce house. We haven't tested it against [...]

Did not last

Worked OK out of the bag and this is like the 3rd in 12 years I use to cover my deck and most last for many years (different brands) and I change them because they just get too dirty. This one did not last a year and started leaking everywhere... I am reordering a new one, but not one of theirs...

Tarps were as described. No issues.

Tarps were as I expected with no issues. Good quality for my application.

Good quality

Seems to be a good quality tarp at a reasonable price. I haven't had it long enough to say much more but it's doing its job.
