EPIC THERMAL RETENTION: A vacuum insulated beer growler that keeps your brew refreshingly cold for up to 150 hours! All thanks to our innovative TriMax Triple Insulation that also keeps coffee, your favorite beverage deliciously hot for up to 24 hours.

COMPLEMENTS ANY ADVENTURE: In the backyard or at the campsite, the reusable beer growler handles the outdoors like a boss. It stands out with 2 layers of 18/8 food-grade stainless-steel, a copper inner layer, and a comfortable carrying strap.

ENHANCE THE FLAVOR: Every 64oz beer growler comes with a snap-in strainer that can hold everything from herbs, tea, to fruits. This means you can use it as a fruit infuser bottle, an insulated tea bottle, or for whipping up sensational Sangrias.

DRINKS NEVER TOUCH PLASTIC: The signature steel insulated lid keeps the flavor of your beer, water, or wine untainted. Our rugged metal beer growler also features a condensation-free surface and dual-opening lid for easy pouring and filling.
