SACRED RIVER 2"X6"X3/8"

V3 T3 ~~✖~~

132pcs minimum - \$225.72 \$112.86/box \$20.52/sq.ft **\$1.71/pc**

we do not currently sample this product

no sampling available. since there is a time lag between sampling and purchase we cannot guarantee that you will be able to purchase from the same kiln batch which makes sampling redundant. also since each firing produces a wide degree of variation, we cannot show the breadth of variation. instead, with each kiln load we will take new photos showing the variation that exists and provide a detailed description.
