- **Material:** 100% premium synthetic fiber, it's not human hair but boasts characteristics of human hair, almost like real hair, soft and smooth, minimal tangle and shedding.
- **Great Alternative to Human Hair:** UPIGUILK false hair can be dyed and bleached, curled and straightened, it can fade to color 30#, and restyled at the temperature lower than 150 °C (300 °F).
- **Long Straight Wig with Bangs:** 24 inch super long straight wig, beautiful and fashionable, enough volume makes different hairstyles possible, and bangs could be trimmed by yourself according to your needs.
- **Cap Structure:** Breathable cap net makes it comfortable to wear, average cap size, 21.25"-23", you could adjust it according to your head circumference.
- **Occasions:** UPIGUILK false hair perfect for daily use, every day wear, any concerts, gifts, theme parties, weddings, dating, cosplay ,costume party and also Halloween party etc.
