Q Type your question or keyword

Product description

Hook design, rational use of space, multi-purpose for one thing, make things neat and orderly.

Close to the wall at 90 degrees, the bracket fits seamlessly with the wall, stable and not shaking.

The thickened stainless steel is integrally formed, and the load-bearing capacity is stronger without falling off.

Smooth edges, no need to worry about scratches when using.

Brushed stainless steel material, exquisite texture, not easy to rust and discolor.
