Uniform light source, reduce eye fatigue-Special circular design, the light is more uniform, and the larger luminous area will not produce any glare or flicker. Perfectly light up your reading, studying and working space.

360° Flexible Gooseneck-Soft and durable and 360-degree rotatable gooseneck design, easy to adjust the lighting direction to the work area, will not produce harsh sound. The stable table lamp base ensures balance in use. Stepless dimming mode-no button design, adapt to your reading environment, easy to adjust the brightness by touch.

Worry-free service: Our export products are 100% quality checked, and we support a 3-month unconditional exchange or return policy.
