## Description

**STICKY NON SLIP YOGA MAT:** Compared with other cheap foam yoga mats, ours adopt upgraded TPE material, which is lightweight, durable for long-lasting use. Double-sided 3D texture surface make the exercise mat more grips to avoid sliding and keep you motivated and focused on either side.

**1/4 INCHES THICK YOGA MATS:** Tested by millions of yogis, 1/4 inches is the ideal thickness to offer ultimate comfort support and stability on your wrists, ankles, knees, elbows and more sensitive body parts. Standard size 72X24 inches yoga mats fit for women and men.

**YOGA MAT WITH STRAP:** With a practical carrying strap, you can go anywhere with our workout mat. In addition, after practice, you can roll it with the strap and store it conveniently.

**ALL PURPOSE WORKOUT MAT:** Our multi-purpose yoga mat is suitable for all level yogis practice on the mat. What's more, you can use it as a padding while playing with your children at home, or during travelling and camping for outdoor activities.

**Sweat Proof and Anti tear:** One anti-tear net inserted make the workout mats can last 1-2 years more than other mats. Closed-cell technology make the mat refresh and easy to clean with soap and water.

Really like my mat. I sweat a ton and it doesnt slip or smell after repeated use. Matt feels soft but firm and enjoy the feel of the material. Its double sided and my only note is that if you can leave it unrolled cause it tends want to curl if stored rolled up. Really good value for the price! Would buy again and reccommend to anyone looking for a quality standard yoga mat

Not as thick as I thought it would be.

Great Mat.. used it many times. You don't slip and it has enough padding that your knees don't go through it.
