Brand Name:YLIMEKA

【High quality】 : Wall lamp size: L 11"4 x W 4"33 x H 1"77,made of high-transmitting acrylic and aluminum, integrated LED light source, beautiful appearance.

【Soft light】 : The light source is 6000K white light, the light is transmitted through acrylic, bright and not dazzling, 12W, energy saving.

【Modern and simple】 : The white acrylic and brushed silver match make the wall lamp very beautiful whether it is placed in the bedroom, living room, staircase, balcony, study, office, restaurant, or shop.

【Easy to install】 : It is suitable for American standard junction box and can be easily installed through the provided accessory package. Note: To ensure your safety, please install it under the guidance of a qualified electrician after power off.

【Warranty and Service】 : We believe in the quality of the Leitzt wall lamp, if you have any questions, please feel free to contact us.

Product Description

1.Wall lamp fixture made of white acrylic and high-quality pure aluminum.

2.Using high-stability and ultra-durable LED patch light source ,with a power of 12W , it can save 90% of energy compared to conventional light bulbs.

3.The size of the mounting base is 110cm×110cm, which is more suitable for American junction boxes than ordinary narrow chassis.

4.The aluminum sheet on the acrylic is wider, which can effectively block the direct light from the light source. After multiple diffuse reflections, the light is softer and more eye-protective.

5.The classic and simple modern wall lamp can be used as a wall lamp lighting or as a home background decoration lamp or bathroom lighting.
