## Description

Adjustable powder setting - the coffee powder coarseness can be adjusted through the knob at the bottom.

Stainless steel material - the whole body can be disassembled and to be washed directly with water.

Hand-cranked grinder - experience manual operation, retain the original taste of coffee bean, enjoy the joy of diy at home or office.

Ceramic grinding core - more durable and will not be hot after long-time grinding.

No need for battery or power to operate this portable handheld coffee grinder, you can enjoy fresh ground coffee anywhere (even when camping)
