

"Simply the Best"

"SIMPLY

THE BEST"

RADIO MUSIC PROGRAM AND 24/ 7 STATION FORMAT

"Simply the Best" provides music programming for commercial radio stations 24 hours, 7 days per week.

A truly unique radio format. This is a 24/7 hybrid commercial radio platform that contains imaging, it also features "**Weekends with Chris & Kim**", hosted by NY veteran radio announcer, and self published author Chris Murray, along with former college professor, magazine publisher and M.A marketing Kim Murray.

"Simply the Best" can be a filler or multi hour program. The format can run with a radio station's current announcers; or with just the imaging and music provided with the "Simply the Best" (no announcers).

"Simply the Best" has courage and intellect with music programming for listeners.

You can make your radio station: "Simply the Best".
