- ABSORBENT: With super absorbent core of the GAOY pet diapers can absorb liquid quickly and prevent any unwanted spills or accidents you don't expect; and the breathable layer make your lovely fur-friend fell comfortable all days
- CUSTOMIZABLE FIT: Adjustable & repositionable velcro tabs work just like a baby diaper to customize fit without sticking to fur or irritate dogs' skin
- MAXIMUM COMFORT: Easy to put on, specialized design provides a breathable fit without slipping or bunching. The adjustable tail hole easily accommodates all tail shapes and sizes
- MANY WAYS TO USE: Ideal for dogs who suffer from incontinence, puppy training, for females in heat, surgery recovery, excitable urination, and for travel
- TRAINING METHOD: 1. Place the diaper in a fixed position. 2. If the pet vents anxiety, bring the pet to the diaper. 3. If pets are found to excrete around the diapers, they should be scolded. 4. Pets are excreted on diapers, and they should be given snacks and petting immediately
