Product Description:

VISION + PERFORMANCE. Created for vision and performance, the swim goggles are made with an oversized mirrored lens, Quick-Fit Buckle, silicone strap for comfort, stabilizing nose bridge, and Advanced Fit Technology.

CURVED LENS TECHNOLOGY. Our curved lens offers the clearest possible visibility and 180° wide field of vision with exceptional hydrodynamics.

UV & ANTI-FOG. Our swim goggles are constructed with 100% UVA/UVB protection. Pairing that with a scratch-resistant anti-fog lens, your swimming goggles will bring you worry-free, crystal clear swims every time.

CLEAR LENS. The Clear Lens transmits a natural light, which makes it ideal for low light and overcast conditions where maximum visibility is required. Great for indoor pools and dark conditions.

WE LIVE TO SWIM. Whether you're a new swimmer or a seasoned professional, KEPBBUW products cater to any and every experience level. We are always evolving to provide the most functional and unprecedented gear for your water activities.
