- **【Superior Heat-resistant Borosilicate Glass Pitcher】** BPA free & lead free,durable,refrigerator safe & stovetop safe,withstand temperature -20°C ~150°C/-4°F~302°F. So it is ok for you to put it in your fridge or boil it on the stove.
- **【Glass Lid】** Anti-drip spout,Convenient to pour and easy to clean. The handle is big and comfortable to hold. Baby safe & Medical safe rubber part around the lid makes the lid close tightly, keeping the water inside fresh and the lid not falling off when pouring.
- **【Large Capacity】** Fits well in most fridges. Perfect to prepare and serve cold or hot beverages, water, wine, coffee, iced tea, fruit infused juices.
- **【Handcrafted by Craftsman】** The pitcher is hand blown true borosilicate glass with graceful modern lines by professional craftsman.
- **【Wash Easily】** Hand wash is recommended. Big mouth on the top can let your hand reach the bottom easily,making the inside cleaning become very convenient and easy.

Product description

We focuses on kitchen supplies, gives you the best product experience, the best product service.
If our products really have quality problems, we will definitely do our best to solve it. Checkup our product at customer and client's position forever.

Extra-wide Mouth

The wide mouth makes everything from filling to cleanup easily, and part of people can reach the bottom to clean by hand.

Cleaning Method

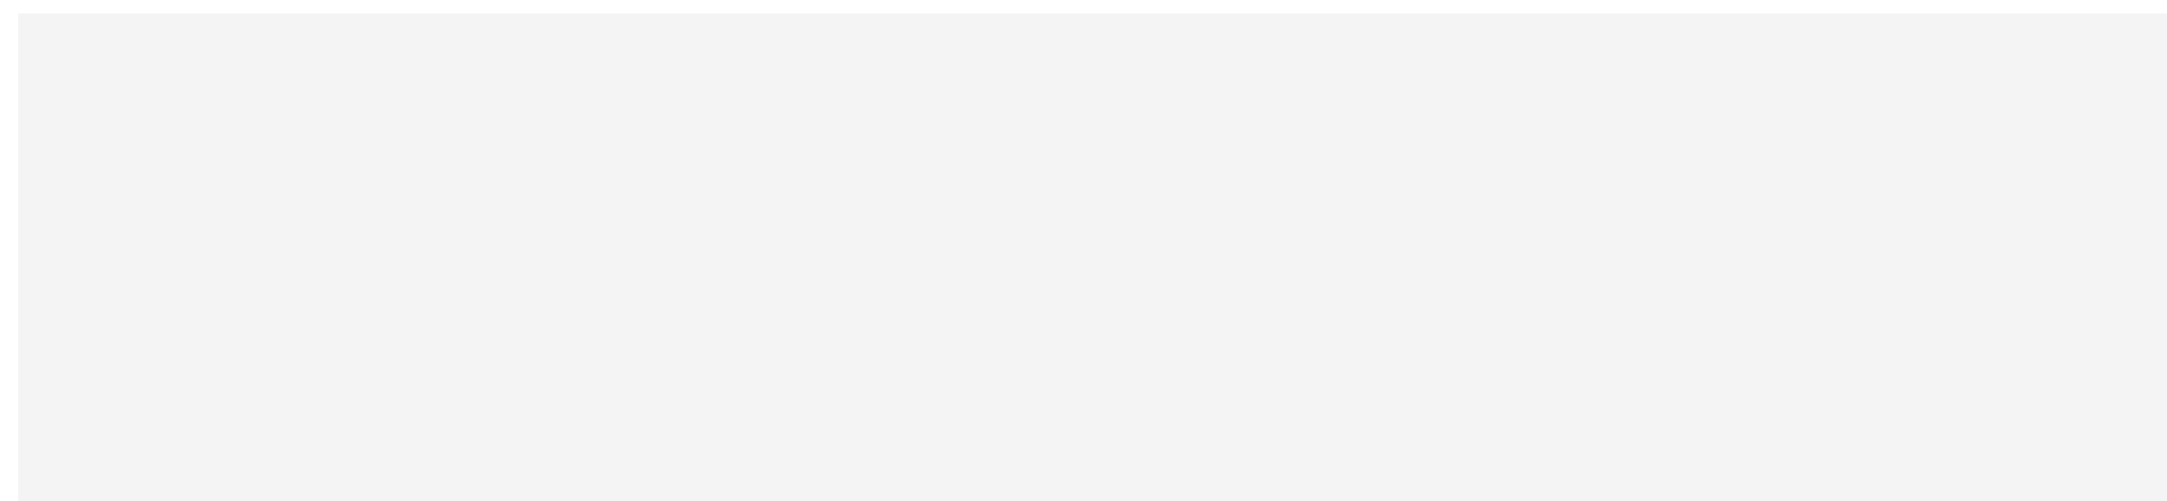

It is not suggested to wipe with a hard object such as stainless steel sponge to avoid scratches, which will cause the glass pitcher to break due to uneven temperature during use.
