I love this pen it's Sturdy and it contains him. I had Purchased a less expensive one which would not stay open. It constantly collapsed in on the puppy.

Will be great for our bearded dragon to bask outside without risk of birds or something frightening. Would be good for a VERY SMALL dog.

I really like this play pen for my kitty. We're going to travel so I needed to get her a little place where she would feel safe since were traveling. Item is accurately described. It's compact and I love how I can put her disposable litter box inside. It provides her some privacy.
