ABOUT SHOW

Monster Truck is a motorsports event involving a collection of flamboyant and destructive monster truck vehicles. It is the longest-running monster truck series to date.

What is it like to attend a Monster Truck event?

Monster Truck is a high-octane affair filled with passion coming from both fans and drivers. Fireworks, light shows, music, and more are all a part of the show as the towering trucks drive around the dirt.

While seating depends on the venue, many Monster Truck events are indoors and put the fans as close to the action as is possible, leaving only a few yards between the seats and the track. Prior to the main event, Monster Jam hosts a Pit Party where fans can meet with drivers, explore the track, and see the trucks up close.

- Get your tickets to the next Monster Truck event at [Monstertruck.show](https://monstertruck.show), the leading online marketplace for tickets to live events.
