Specifications
Brand: Wsrchh

Eliminates Tangles & Knots: The perfect brush to get all nasty knots out of your pet's fur; the wet brush pet brush gently removes loose hair, and eliminates tangles, knots, dander

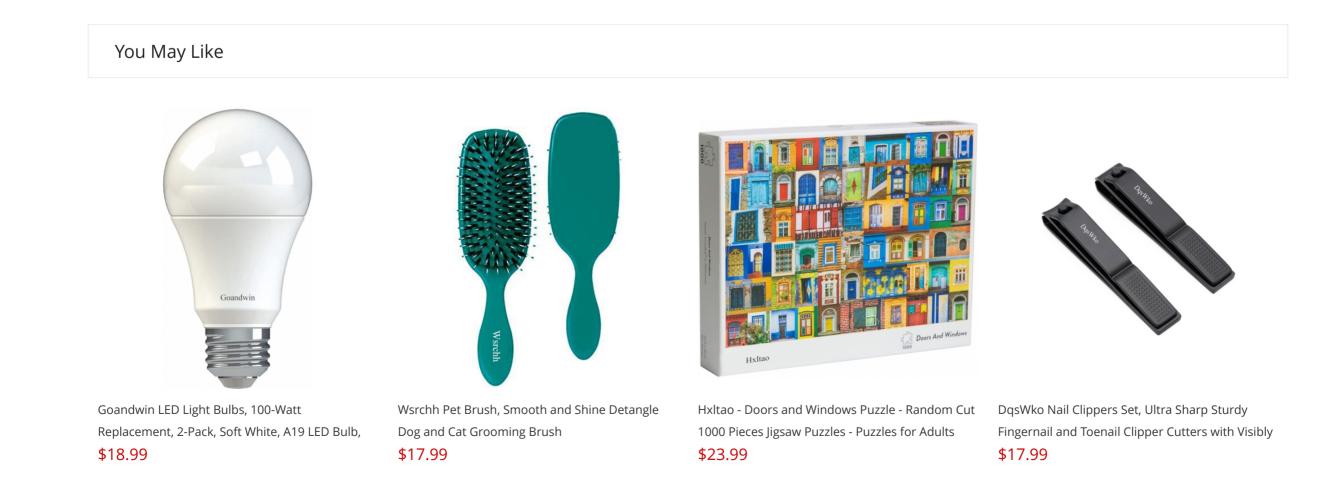

and trapped dirt; works great on dogs of all sizes with medium to large hair length

Easy Grip with Ergonomic Handle - Ergonomic handle makes the brush easier to hold & move, keep your hand in a natural position to prevent fatigue and do a better cleaning for your furry friend

Soft Bristle: As a pet detangler, the core function is efficiently detangling and grooming. The bristle is strong enough to brush thoroughly through long dog hair, yet soft enough to be gentle. It can help improves air circulation to the skin give a healthier and shinier coat.

Time Saver: Wet brush pet detangler cuts down on grooming time. Brushing with an ordinary brush can be time-consuming and painful for your pet. The large breed detangler loosens tangles quickly and gently with less pulling and tugging. This means a healthy and tangle-free coat, in less time.

Perfect Grooming Tool: now you can groom your pet's hair pain-free! With this detangler, your pet will not only look good but feel great too! The hair detangler leaves your pet's coat soft and shiny; your pet will love being brushed! Great for daily grooming to prevent your cat & dog from getting matted up and tangled fur. It's pretty perfect for long-haired dogs-cats
