 I do like this little pot. Good weight. Cooks well. Cleans well. The one thing I don't like is the lid knob / handle gets really hot. It would have been better if it was plastic rather than metal.

 Not easy to clean, spots on inside. Lid knob gets too hot.

 Use it to make hot cereal for elderly parent in mornings. Will use for gravies and sauces also. Perfect size.. Heavy duty, like the lid..

 I've used this pot to boil water and reheat soup. It's a perfect size and convenient size.
