

PROFESSIONAL FORMULA

glucoZyme is specifically designed to aid in the digestion of foods, with an emphasis on carbohydrates, starches, and sugars. Four of the enzymes aid in the processing of sugars to maintain glucose and insulin levels, while alleviating the risk of bloating and gas.

glucoZyme contains a proprietary blend of cinnamon which has been shown to be effective in stabilizing glucose levels.†

Suggested Usage: One (1) capsule with each meal.

Storage: Keep tightly closed in a cool, dry place in the original container. Do not expose to excessive heat.

Caution: If pregnant or nursing, consult a physician before use. Keep out of reach of children.

DO NOT USE IF SEAL IS BROKEN.

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or mitigate any disease.
