WIWISTON Dog toys Suction Cup Dog Toy with Bell, Aggressive Chew Pet Toys for Dogs Hedgehog Pet Dog Toy Interactive Durable Small Dog Toys for Tug/Chewing/Teeth Cleaning/Food Dispensing Features

【High Quality Material】 The suction cup dog toy is made of food grade TPR rubber material, which is environmentally friendly and soft. The rope of the toy is made of high-density material, which is durable and won't be easily broken.

【Multi Function Toy】 The suction cup dog toy has many functions such as interactive toy, tooth cleaning, tooth polishing and food distribution. Chewing toys contain a built-in small bell. When the ball is shaken, the small bell will make a sound, which can attract the dog's attention and help prevent the destructive behavior caused by long-term boredom.

【Improve Oral Problems】 The suction cup dog toy can improve the dog's bad breath and periodontitis, and can solve the problems of tooth calculus, tartar and bad breath. It's designed with soft spots and serrated rubber. Internal serrations clean food residue on teeth and help keep teeth clean and fresh.

【Best Gift for Pets】 This suction cup dog toy can not only bring joy to pets, increase your interaction with them, and improve the intelligence of pets. In addition, it is also a good tool for food distribution. It can pour dog food into the ball. When it wants to eat food, the dog will bite it. The teeth inside can also remove the food residue on the teeth.

【Customer Service】 We provide high quality suction cup dog toy and perfect after-sales service. If you have any questions, please feel free to contact us.
