1. 100% brand new high quality and high quality.
2. Adopts arc-shaped opening streamline thickness, better anastomosis type, reduces friction and wear, and is convenient to use.
3. This combination wrench is upgraded and thickened, and the exterior is polished, which is not easy to rust.
4. The overall length is longer, the moment arm is increased, the torsion is greater, the use of labor is saved, and the fatigue is reduced.
5. There are a total of 5pcs ratchet wrenches to meet your replacement needs.
6. Using chrome vanadium steel, it has high hardness, long service life and strong practicability.
