M **Mary R Huff**

Perfect length of rope ready for many jobs.You need strong safe reliable rope all the time whilst climbing or camping,I do a lot of wild camping in both tents and hammocks and this rope is great for all those jobs that crop up. Perfect length and very versatile.Can't say fairer than that, the rope is strong,very stretch resistant and a nice bright colour, came well packaged ready for use .Perfect for dropping into my rucksack.
