Description Reviews ⁰

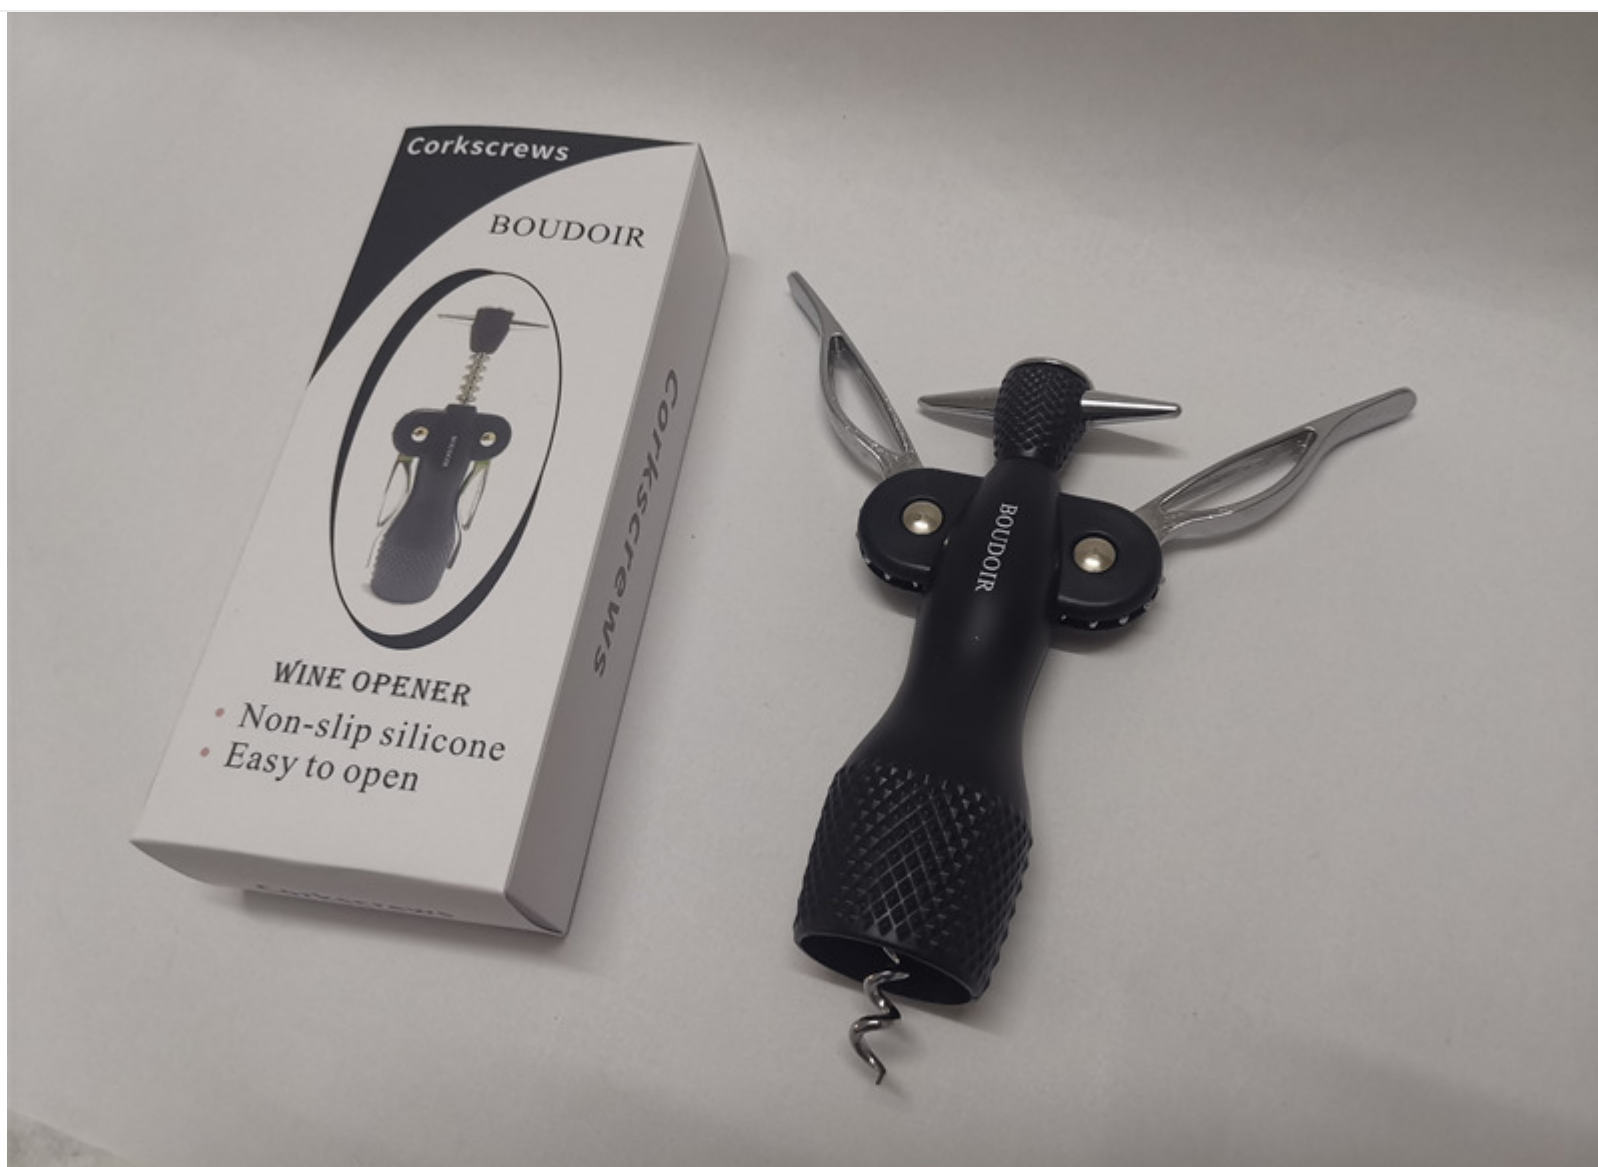

HIGH QUALITY MATERIAL – This easy to wash Wing Corkscrew and Wine Bottle Opener is constructed from zinc alloy body and stainless steel corkscrew for strength and flexibility with soft touch panels for comfort and easy grip.

QUICK & EASY TO USE – This wine opener feels substantial in your hand and looks elegant on the table. Simply place the corkscrew over the bottle, twist the handle to insert the auger into the cork, and watch the opener's wings rise. Then press the wings down to extract the cork. A coated screw glides smoothly through the cork, and a stopper prevents the screw from breaking the cork

Our lever wine opener is simple to grip the unfolding wings while drilling and allows for effective pulling while removing the cork. The lever principle applied structure saves your strength to open the wine and beer easily. Zinc alloy body and stainless steel corkscrew is easy to wash

100% SATISFACTION GUARANTEE

Our premium wing corkscrew wine bottle opener makes for the perfect birthday gift, housewarming gift, bachelorette party gift, Christmas gift or "Thank-you" gift. The fun and unique look of our wine bottle opener will
