Description

Introducing the **Om Chair**, the world's first and best true meditation chair.

Meditation is one of the most important things a person can do. Yet many people find it difficult to sit comfortably. The **Chair**

This simple chair and its patent-pending features make it easy to meditate. Just sit down, cross your legs, and relax designed to accommodate the crossed-legs position *without* the need for a high level of flexibility. Put simply, this ch posture better than anything else in the world. Just sit down and melt into the most comfortable posture you've ever

Special order: 8-12 weeks delivery. Watch for our mass-production Om Chair coming soon to Kickstarter.
