- ✓ High-quality materials: The kitchen timer is made of 304 stainless steel. The stainless steel case and the dish-shaped design make the timer very beautiful, waterproof and corrosion resistant.
- ✓ Magnetic back-For more convenience, this timer can be placed on any metal surface, such as refrigerators, refrigerators, and microwave ovens. It is most suitable for mothers, children, parents, teachers, office workers, professionals and students.
- ✓ 70db mechanical loud alarm, no battery required-The mechanical timer has a built-in 70db alarm, which does not require any battery, making it energy efficient and environmentally friendly. The alarm is quite a loader; in low-noise conditions, it can be easily heard within a radius of about 10m, which means you will not miss it even if you are in another room.
- ✓ Precise timer and best time management-Use this cute timer to focus on your tasks and activities. Compared with other manual timers, this timer is designed to provide you with the most accurate, precise and error-free timing. Very suitable for cooking, baking, reading, homework, jogging, homework, special needs, etc.

✓ No problem warranty (1 year)-We are very confident to provide you with 1 year free replacement warranty and friendly lifetime technical support. If you have any questions, please feel free to contact us via Amazon and we will send you a substitute for this product immediately.
