### Product Introduction:

✓Easy to RESTORE its Original Shape after Squeeze: (1)our chefs' squeeze bottles are made of specially selected food grade PP Resin plastic; and these kitchen seasoning containers bottles are easy for you to squeeze the sauces out and restore to its original shape quickly without leaving any traces on the ketchup bottles after squeezing.

✓100% Seal, No Leakage, Easy to Cleaning: (1)The cover part of the soy sauce dispenser has been double reinforced to ensure that there's no risk for leakages; (2)100% sealed design of the oil squeeze bottle can avoid spoilage, also can avoid spilling when carrying out.

✓ Big Mouth Design, Store Most Liquid: our syrup dispenser are suitable for simple syrup, condiments, soy sauce, olive oil and other types of oil, a variety of liquid, etc. Plastic squeeze condiment bottles can be used everywhere, no matter for your kitchen, hotel, craft room, or for your outdoor party and pancake art. NOT RECOMMEND for jams containing large particles.

✓ BPA Free – these bottles are guaranteed BPA free. BPA is an industrial chemical used in making certain types of plastics, and when used, it can seep into food or beverages, causing possible health effects. Combine the fact that these bottles are BPA free, and you've got a top-quality set of China-Made plastic squeeze bottles, suitable for the home, kitchen, workshop, art studio, and wherever else you need these handy squeeze bottles.
