- Cleaning Tablets

Mouthguards are essential equipment in many team and individual sports such as football, hockey, and boxing, and the list goes on. As an athlete, you want to wear something that's flexible and comfortable while you're playing, and your mouthguard should be no different. That's why we create on-demand custom athletic mouthguards that provide a perfect fit for each individual athlete.

You will receive a kit that includes everything you'll need to begin the process of customizing your sports mouthpiece. Once your impressions have been sent back to us, our team will begin customizing your on-demand custom athletic mouthguard with our innovative 3D technology.

Our custom-made mouthguards for sports feature a slim profile with impact protection, allowing you to breathe easier and speak clearly while performing at your best.
